

Improve the appearance and increase
the value of your products
... simply and economically.

Round Mineral Tank Jackets

UNIVERSAL SIZE — Easily installs on mineral tanks up to 10" x 54".

CONTEMPORARY STYLING — Matches valve covers and brine tanks for a unified appearance without the design and maintenance compromises of single-unit models. Classic white, almond, blue, black and platinum colors available.

QUALITY — Blow-molded high-density polyethylene material has exceptional resistance to stress cracking and adds durability and long life to your product.

PRIVATE LABEL — Mold inserts are available for your logotype, trademark or company name. Custom colors are also available.

DECORATIVE CAP— Available to compliment the appearance of the system. Black or custom colors available.

JACKET COLORS AVAILABLE:

ORDER NUMBER	DESCRIPTION	QUANTITY/CARTON
G2744*	10x44 Almond Tank Jacket	4
G2748*	10x48 Almond Tank Jacket	4
G2754*	10x54 Almond Tank Jacket	4
The Polyurethane foam spacers install between the jacket and mineral tank to compensate for different diameter sizes. Two spacers per tank are recommended.
