

Structural Resin Tank Shrouds

for Residential Mineral Tanks

Available in blue, black, almond, white and platinum, these attractive coverings allow you to provide a finished look to the Structural tanks you install. One-piece shrouds are blow molded from high impact polyethylene for long life. Designed to fit mineral tanks up to 10" in diameter and 54" in height.

Benefits

- Attractive styling
- Heavy-duty design
- Blow molded from FDA-approved materials
- Rigid, high-impact, non-toxic polyethylene
- Exceptional resistance to stress cracks
- Provides years of trouble-free service
